TO CREATE RENOWNED DIY LOCKERS BRAND THE WORLD OVER.
TO CREATE A BETTER LIFE FOR THE PEOPLE

About us

Top Lockers Co., Ltd is dedicated to the design, manufacture ABS plastic lockers for office, school, supermarket, hotel, beach, gym, stadium, hospital, entertainment places and other suitable occasions. The people benefit from the invention of ABS (Acrylonitrile Butadiene Styrene) plastic, which has more advantages such as rustproof, waterproof, colorful, dismountable, etc. Although that is not Top lockers' innovation to apply the ABS plastic on lockers, Top lockers' design for DIY lockers is absolutely a revolution in traditional locker technology.

Building on an innovative plate design, providing a stable and highly configurable system, we try to develop more functional and flexible storage solution to customers, and bring more efficiency and profitability to your daily storage.

Top lockers insist to highlight a positive lifestyle not just supply normal lockers to you forever.
